

Yes! I want to receive the **Stop Heart Disease** specialty license plate!

To purchase your license plate, your check should include an additional \$37 above the fee included on the renewal notice. Please indicate on the renewal form and the memo portion of your check please write "Stop Heart Disease Specialty Plate".

This additional fee includes the \$25 donation to the Florida Heart Research Foundation, a \$10 first year only charge for the new specialty plate, and the state's \$2 specialty plate processing fee. In subsequent years, your renewal cost will only be \$27 over the regular renewal fees (\$25 to FHRF to help **Stop Heart Disease** and \$2 to the state).

*You can purchase the **Stop Heart Disease** license plate anytime outside of your regular renewal period; however, additional state fees apply. Please consult your local tax collector's office to determine the appropriate purchase price.*
